Product Description

Maruyama BL32 Hand-Held Blower

Maruyama blowers are designed and engineered with a dedication to provide the best total machine available. This requires balancing weight, noise level, comfort, durability, service life and of course, output. Never settle for a one feature blower.

The Maruyama BL32 hand-held blower is a true professional-grade blower. This blower delivers an impressive air volume and is designed to work nonstop as long as the task demands. Simply refill and repeat. Weighing just 9.5 lbs, this blower is equipped with cruise control for greater comfort.
