Product Description

Pioneer GPP479904 21" Self-Propelled Lawn Mower

The Pioneer Pro 21-inch Single Speed Self-Propelled Lawnmower takes the struggle out of professional-quality lawn care. Its self-propelled drive system delivers fast results with a fraction of the effort, the 21-inch cutting deck covers more area with fewer passes, 3-in-1 functionality adapts to varied grass discharge needs, and a ReadyStart® equipped Briggs & Stratton® EXi725 Series engine provides reliable power.
